കരിഞ്ഞാലിപ്പള്ളത്ത് ശിവന്റെ വീടിന്റെ അവസാനവട്ട പണിയിലേർപ്പെട്ടിരിക്കുന്ന കൊഴിഞ്ഞാമ്പാറ ഗവ. കോളേജ് എൻ.എസ്.എസ്. വിദ്യാർത്ഥികൾ

## ശിവൻ വീടായി; സഹായവുമായി എൻ.എസ്.എസ്. വിദ്യാർത്ഥികളും

**ചിറ്റൂർ:** വർഷങ്ങൾനീണ്ട കാത്തിരിപ്പിനൊടുവിൽ കരിഞ്ഞാലിപ്പള്ളം വളവുപാലം സ്വദേശി ശിവൻ വീടൊരുങ്ങി.

സേവനസംഘടനയുടെയും വിദ്യാർത്ഥികളുടെയും കൈത്താങ്ങോടെ പണിതൊടി പുതിയവീട്ടിലേക്ക് മാറാനൊരുങ്ങുമ്പോൾ ഓലപ്പുരയ്ക്ക് കീഴിൽ മഴനനഞ്ഞുകിടന്ന ഓർമകളെ മറക്കാൻ ശ്രമിക്കുകയാണ് ശിവൻ.

ഇലക്ട്രിഷ്യനായ ശിവനും കുടുംബവും വളവുപാലത്തെ തറവാട്ടുസ്ഥലത്തുള്ള ഓലപ്പുരയിലായിരുന്നു താമസം. ഒരു പെൺകുട്ടിയടക്കം രണ്ട് മക്കളും ഭാര്യയുമടങ്ങുന്ന കുടുംബം നിരവധിതവണ വീടിനായി പഞ്ചായത്തിലും മറ്റും അപേക്ഷ നൽകിയിരുന്നെങ്കിലും വീടെന്നത് സ്വപ്നമാത്രമായിരുന്നു.

ഒടുവിൽ ചിറ്റൂർ സത്യസായിസേവാസമിതിയാണ് ഗ്രാമസേവാപദ്ധതിയുടെ ഭാഗമായി കരിഞ്ഞാലിപ്പള്ളം വില്ലേജിൽ താമസിക്കുന്ന ശിവന്റെ കുടുംബത്തിന് വീടുനിർമ്മിച്ച് നൽകാൻ മുന്നോട്ടുവന്നത്. ഓലപ്പുരയിലെ തറവാട്ടുസ്ഥലത്തുതന്നെ ഹാളും രണ്ട് മുറികളും ഒരു അടുക്കളയുമുള്ള ചെറിയ വീടൊരുക്കാൻ സമിതി തയ്യാറായതോടെ കൊഴിഞ്ഞാമ്പാറ ഗവ. കോളേജ് എൻ.എസ്.എസ്. വിദ്യാർത്ഥികളും മുന്നോട്ടുവന്നു. വീടിന്റെ മേൽക്കൂര നിർമ്മാണത്തിനുള്ള ചെലവ് വഹിക്കാനാവശ്യമായ പ്രവൃത്തി ന

ത്താനായിരുന്നു യുവാക്കളുടെ തീരുമാനം. വിദ്യാർത്ഥികൾ സമാഹരിച്ച 30,000 രൂപ ഉപയോഗിച്ച് നൽകുമെന്നും അതിൽ കുറച്ചുപണം നൽകിയിട്ടുണ്ടെന്നും എൻ.എസ്.എസ്. പ്രോഗ്രാം ഓഫീസർ ലേഖനം പറഞ്ഞു.

ഓടിട്ട മേൽക്കൂരയായിത്തീർന്ന വീടിന്റെ പെയിന്റ് പണി പൂർത്തിയായി. അത്രമാണ് ബാക്കിയുള്ളത്. അവസാനവട്ട പണികൾക്ക് വിദ്യാർത്ഥികളും ഒപ്പമുണ്ട്. 20ലധികം വരുന്ന വിദ്യാർത്ഥികളാണ് പണിക്കാവശ്യമായ ഹായം നൽകുന്നത്. ഒപ്പമുണ്ട് രണ്ടിന് കെ. കൃഷ്ണൻ, എം.എൽ.എ. വീട് ഉദ്ഘാടനം ചെയ്യും. ഇതോടെ സന്തോഷത്തിന്റെ പുതിയ തലമുറയാണ് ശിവനും കുടുംബവും.

So far resources worth nearly 6 crore rupees has been mobilized by NSS units for the construction of these 110 houses at an average of 5.45 Lakhs / Hour. N S S Volunteers under the supervision of Programme Officers raised the fund by utilizing their small investments in their piggy banks, through house visits, Sponsorship, fund raised through various programmes like food festivals, crafts festivals etc. Conducted for the purpose.

It is remarkable that the beneficiaries were happened to be the class mates, students of the college or a well deserved person of this society in and around the life of N S S Volunteer, whom he recognized as the beneficiary accidentally. The manual efforts rendered by N S S Volunteers during the various stages of construction of each house is uncountable. Also they received help from all sections of the society and the various departments of the Government for this noble cause. Thus they accomplished the task of some one else's dream.

Contribution of NS S Open Unit and Campus Unit being distributed in Tribal colonies of Wayanad

**The Registrar, along with the Open Unit & Campus Student's Unit.**

N S S Cell of University of Calicut Proposed a Special Programme **Navajeevan** for ya 2018-19 for the flod affected areas.

## **Navajeevan**

### **Preamble:**

National Service scheme, University of Calicut has the strength of more than 22,800 volunteers spread over 228 units of 161 Colleges across the five districts of its jurisdiction. Heavy monsoon rain caused severe flooding in the Malabar. The flood has paralyzed the normal life of the millions of the people. Thousands of houses damaged and families are forced to take shelter in the relief camps. The flood victims of our people are in desperate need of support to survive and get back to their normal life. These volunteers and the Programme Officers were actively engaged in their nearby relief camps even in their vacation time.

The environmental, economic and public health impact that flood having on Kerala are becoming increasingly significant. After the escape from the flood, all our people are now realising the reality which we have to face now. The real loss and the real problems of the state are being assessed. People of the camps are getting back to their places who have own places. Others will be there for another long period. Those gone back might have lost their documents, houses, properties, life earning equipment/vehicles/boats/shops. etc. The need of the hour is to support these people in getting their lost documents, in converting their houses as inhabitable places, in rebuilding their damaged houses and properties, in relocating their lost life earning means.

The state machinery is offering its entire support in these and we need to support it with all our means. For this the National Service scheme, University of Calicut aims to propose a three layer support programme to retain, rebuild and rehabilitate their life after flood in the name of **Navajeevan- Everfresh Life in Malabar** - as detailed below.

This programme is envisaged as a three layer programme. The first one, **Retain** is the cleaning of the inhabitable places, counselling sessions to minimize the Post Traumatic Stress Disorder and simultaneous supporting for procuring lost documents. The second one, **Rebuild** is the major activity in supporting the repairing and reconstruction of the damaged houses and apartments. The third one, **Rehabilitate** is extending support to the persons who lost their life earning means, utilising and supporting govt. /public sector ventures in this direction.

### **Retain :**

The basic work which need prime attention at this juncture is cleaning of the inhabitable places, sanitation and purification of water sources. This is being done by many of us at present. Along with this these people need to work hard for procuring their documents. Our volunteers will support

them in procuring their documents from where ever it be. They will be with them until those are reached to their hand. One fourth of our volunteers and Programme Officers of each district under the district level co-ordination committee will work for this. During this period these volunteers and Programme Officers will survey the real loss of these houses/persons so that the second phase can be planned very well. Each volunteer entrusted for this phase will work for 3-4 days starting from tomorrow in this spell.

#### **Rebuild :**

As we all know **ABHAYAM**-*home for the homeless* is our major activity of the previous year and this year. We have started construction of 177 and 55 houses have been finished and handed over to the beneficiaries. With this expertise we plan to support the government /public sector activities in the reconstruction and repair of the damaged and spoilt houses. After the first phase evaluation one fourth of our volunteers and Programme Officers will tap all resources in rebuilding the lost/ damaged houses in tune with government action, under the guidance of the district co-ordination committees concerned. All support will be given to the needy people in utilising the available support. If such support is not sufficient the NSS will arrange the necessary support in completing the work. During this period the volunteers and Programme Officers will assess the means of life of such people and will get a report with regard to the persons who need support in livelihood. This will enable us in the activities of the third phase.

#### **Rehabilitate :**

Many of the people have lost their means of living. Assessing the report from the second phase one fourth of our volunteers and Programme Officers will be entrusted to find out sustainable earning mechanism with the support of the government agencies or reliable other agencies, which activity will be monitored by the district co-ordination committees. Lots of people have lost their boats, shops, auto rikshas etc . which with proper support can be realised again. Proper counselling, arrangements of loans and funds, arrangements of support from local bodies and govt. etc can be arranged.

These phases and review of each activity of each phase will be a proper support to the government action in rebuilding the state after the calamity. As the university of Calicut is spread over the 5 northern district of the state in the Malabar region, we name this programme as **NAVAJEEVAN**- *Everfresh Life in Malabar*. We would like to entrust majority of our volunteers and programme officers in this activity, keeping one fourth of our volunteers and Programme Officers for our Abhayam project which is half way nearing completion. As this is a very special case National Service scheme, University of calicut suggests our units to take up this matter as the regular activity of the year and the abhayam as a special activity of the year.
