Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

The foremost mission of the University is to make quality higher education accessible to the economically and educationally backward northern districts of Kerala with its sizeable minority and tribal population.

The University aims to:

- Provide leadership and guidance to the generation and dissemination of knowledge through the establishment of higher education institutions within its jurisdiction.
- Cultivate the habit of scientific thinking and competence.
- Equip the targeted student community by providing relevant education.
- Promote quest for excellence by updating teaching learning process.
- Serve as a catalyst for the overall economic, social and cultural development of the region.
- Develop a modern residential University with a brand name, taking full advantage of latest technology and ensuring equal opportunities for access to quality education.
- Offer the academic programmes covering broad areas of Sciences, Humanities, Social Sciences and professional courses spread over nine Schools of Studies (School of Biosciences, School of Business Studies, School of Chemical and Physical Sciences, School of Education, School of Information and communication Sciences, School of Social Sciences, School of Fine Arts and School of Languages and Literature).
- Create an environment for quality academics by providing necessary infrastructure and support to teachers, students and employees (modern teaching/research facilities, access to knowledge resources, residences for employees and students, stable and regular power and water supply, responsive and efficient administration, scholarships/fellowships, sports facilities, support for students' activities, school for employees' children, incentives for attracting and retaining high quality staff).
- Offer course curricula on Choice-Based Credit Semester System for UG and PG courses, offering new courses and bringing in need based programmes without having to open new departments for each course.
- Develop modern ICT based campus integrating administration, academics, library, examination, and finance using campus wide data-voice network, E-governance, links with other universities and a state-of-the-art web- site.
- Making provisions for community outreach programme of periodic short-term courses for the local community on areas of their concern including training for specialized requirements.
- Develop the University with an inclusive character having global orientation yet ambassador of local ethos and aspirations.

6.2 Does the Institution has a Management Information System

Yes.

Administration and Finance: The University of Calicut is the first university in the State of Kerala to implement the Digital Document Filing System (DDFS) successfully. The DDFS has facilitated quick processing of files, faster decision making, real time tracking and status verification. Using this facility employees and administrators can also work from homes and off-campus locations.

Students Admission: The Directorate of Admissions (DoA) established with a view to stream line the entire admissions process in the University Teaching Departments and affiliated colleges of the University. The main aim of DoA is to conduct centralised admissions to various UG, PG, M.Phil & Ph.D programmes offered by the University and its affiliated colleges in a systematic, transparent and student friendly manner following all reservation rules. The major task of DoA is Centralised Admission Process (CAP) for UG and PG, which offers facility for online submission of single application for various UG & PG courses in multiple colleges affiliated to the University. CAP helps students to submit applications of their choice through simple online steps. This hassle free process is time saving, cost effective and ensures transparency in admission.

Examination Procedure: Introduced e-payment system through online as well as filling the application, download hall ticket, marklist, etc.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Workshops on software and data handling, seminars on contemporary issues and power point presentations apart from class room lecturer are organized Wi-Fi network is also made available to students and teachers. The University encourages blended learning by using e-learning resources. The computer aided learning is given priority.
- The wi-fi internet and cabled internet access is available in all the departments, library and hostels to enhance the scope of e-learning. Also University conducts periodic training programmes on adopting new technologies of ICT to better equip the faculty to have computer and internet access. All the University departments have digital class rooms.

6.3.2 Teaching and Learning

Workshops on software and data handling, seminars on contemporary issues and power point presentations apart from class room lecturer are organised. Wi-Fi network is also made available to students and teachers. Enrichment with e-content, innovative methods of teaching. Classroom teaching includes ICT based teaching. Students are offered assignment seminars and general seminars to improve the presentation and communication skill. Minor and Major projects are offered respectively in 3rd and 4th semesters. The lab experiments offered in first and second semesters are capable for inducing research attitude in students. All the experiments have both synthesis, characterization and analysis part and each student is getting opportunity to use all sophisticated analytical tools available in the departments. Films, documentaries and other online resources are widely used for the teaching of concepts, when students were found to be fascinated and interested in them.

6.3.3 Examination and Evaluation

External examinations of M.Sc. course has double valuation scheme. Answer scripts of internal examinations (2 per paper) are returned to the student to ensure complete transparency of the evaluation system. Viva voce examination held for each lab course in addition to practical examinations (2 each) and scientific record keeping with respect to each examination. Continuous assessment and end semester assessment is conducted as per the CCSS norms. The evaluation scheme for each paper shall contain two parts as Internal Evaluation and External Evaluation. 40% weight shall be given to the internal evaluation. The remaining 60% weight shall be for the end semester external evaluation. Internal evaluations are conducted transparently through interactive discussions, seminars, tutorials, assignments regularly.

6.3.4 Research and Development

Selection of research scholars through entrance examination conducted by the University and permitting direct entry to candidates having UGC, CSIR Fellowships. Apart from improving research facilities by procuring more equipment, faculty and research scholars are involved in research activities in frontier areas in association with national and international centres of excellence. Timely relevant, locally applicable topics are selected by MA, M.Sc., M.Com, M.LiSc., MBA, M.PEd, M.Ed., M.Phil and Ph.D. students for their dissertations and theses. Major findings are published in national and international journals of repute. One of the alumni got Fullbright scholarship in the year 2015.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Library: C.H. Mohammed Koya Library of the University plays a vital role in the academic activities of the University of Calicut by providing all kinds of information resources, print as well as digital to cater to the information needs of the academic community. It also offers extension services like seminars, workshops, trainings etc. CHMK Library has set up an exclusive Digital Library with 50 computers specifically set apart for accessing e-books, e-journals and e-Theses etc., while all the digital contents are made available over the entire campus through wired network and wifi connectivity. It makes use of only open source software for its house keeping operations and library services, digital library, digital repository, website etc. The library offers regular orientation programs and trainings in the use of digital resources. In-house as well as outside – internal and external experts from various information providers are also utilized for this purpose. Every new student admitted to the University department/centre in the campus receives this orientation while students and teacher groups from outside are also given such trainings on demand. The digital collection of e-books, e-journals, e-theses etc. are very huge and the library has digitized a good amount of its Theses and are available through the national repository called “Shodhganga” hosted by INFLIBNET Centre of UGC. The library has a balanced collection of print documents consisting of almost all subject areas and different types of resources are available as listed below:

- Total Books: 110000
- Reference Books: 17367
- Thesis: 3822
- Textbooks: 3583
- M,Phil Dissertations: 50
- PG Dissertations: 1107
- Print Journals: 235
- Bound Volumes of Journals: 2015
- Daisy Talking Books: 120
- e-Books: 84300
- e-Journals: 15000+
- e_Theses: 163035

The Central Sophisticated Instrumentation Facility (CSIF) is established in University with a mission of establishing an outstanding national facility for housing sophisticated instruments to support the various science departments within the University and other Universities, Institutes and Colleges in the region to carry out world class research in cutting edge areas of science and technology. CSIF has purchased a wide range of sophisticated equipment to cater the need of all teaching departments.

6.3.6 Human Resource Management

- Introduced Digital Data Filing System (DDFS)
- Conducted in-house training for non-teaching staff
- Conducted employees Adalat (Grievance Redressal)
- Initiated to fill up the vacant posts
- Pensionary benefits on the retirement day

6.3.7 Faculty and Staff recruitment

- Owing to the case pending at court, University has not been able to appoint new faculty. However, to ensure that the work is not affected, the University has appointed Guest Faculty for the teaching departments wherever necessary and persons on contract basis.
- Non-teaching staff is selected through written test, followed by skill test (whenever required), oral interview and thereafter on the recommendation of the Selection Committee and following University Rules and Regulations, recruitment is made on merit basis.

6.3.8 Industry Interaction / Collaboration

Department of Commerce and Management Studies of the University has introduced ISDC-ACCA New Programme, MBA Interaction.

Centre for Women's Studies of the University has close interaction with the State Social Justice Dept., the State Women's Commission, the KILA and the LSGIs. Faculties often serve as Resource Persons for the seminars/workshops organised by all these entities. The Dept. serves as the nodal centre to coordinate and monitor the activities of Women Development Cells functioning in all affiliated colleges of the University. Thus there is a strong interaction and collaboration with all the colleges.

6.3.9 Admission of Students

The Directorate of Admissions (DoA) established with a view to stream line the entire admissions process in the University Teaching Departments and affiliated colleges of the University. The main aim of DoA is to conduct centralised admissions to various UG, PG, M.Phil & Ph.D programmes offered by the University and its affiliated colleges in a systematic, transparent and student friendly manner following all reservation rules. The major task of DoA is Centralised Admission Process (CAP) for UG and PG, which offers facility for online submission of single application for various UG & PG courses in multiple colleges affiliated to the University. CAP helps students to submit applications of their choice through simple online steps. This hassle free process is time saving, cost effective and ensures transparency in admission.

Admission for certain departments like Biotechnology, Nanoscience etc. are through the All India Combined Entrance Examination.

6.4 Welfare schemes:

Teaching	Staff Welfare, housing loan facility, various co-operative initiatives like housing societies, cooperative stores, etc. are available on campus for teaching staff.
Non teaching	Various cooperative initiatives like housing societies, co-operative stores, etc. are available in campus for non-teaching staff.
Students	Most of the students are receiving various scholarships of either Govt. of India or Govt. of Kerala. PTA scholarships are offered to financially backward post-graduate students.

6.5 Total corpus fund generated

6.6 Whether annual financial audit has been done

Yes ☒ No ☐

6.7 Whether Academic and Administrative Audit (AAA) have been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	Dean & HODs	Yes	Dept.
Administrative	Yes	Govt. Auditor/ CAG	Yes	University Audit Section

6.8 Does the University/Autonomous College declare results within 30 days?

For UG Programmes Yes ☐ No ☒

For PG Programmes Yes ☐ No ☒

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

We have been able to streamline the functioning of the system including examinations through an effective co-ordination of activities of the participating departments. The overlapping of semesters and the lagging of programmes have become a thing of the past. This major reform was implemented after many discussions and deliberations by the entire academic community of the campus. Certainly this initiative has proved to be a big success. It is remarkable that the Pareeksha Bhavan has adapted so nicely to the reform and facilitated online registration for end-semester examinations, delivery of hall tickets to the Departments online and the publication of results. The smooth conduct of the examinations and publication of final results instill a lot of confidence in the minds of students and teachers about the reform.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

Granting autonomy is a subject of the UGC and the colleges concerned. College Development Council of the University give directions to all its affiliated colleges which come under the purview of 2(f) and 12(b) list of the UGC Act 1956, to come forward and apply for autonomy, with their credentials and offer whole hearted support to the colleges thus reported. During the reporting period 7 major colleges were granted autonomy status by UGC.

6.11 Activities and support from the Alumni Association

Alumni association conducts academic and socioeconomic programs independently and in collaboration with concerned departments. Departments also have separate alumni association that organizes programmes for the students of the department.

6.12 Activities and support from the Parent – Teacher Association

- PTA and Alumni provide scholarships to poor students in various departments.
- PTA ensures that there is a close relationship between the family of the students and the department.
- Guardians/parents from time to time have highlighted various issues particularly pertaining to their wards who are studying in the university.

6.13 Development programmes for support staff

The University on regular interval arranges training of staff members. Provide training on Digital Document Filing System (DDFS).

6.14 Initiatives taken by the institution to make the campus eco-friendly

Energy conservation:

- Use of renewable energy: Efforts have been undertaken to use solar energy in the campus and thereby to reduce conventional power consumption, which would help in overcoming power crisis. Solar energy is presently utilized for street lights and office purposes. Details of installations made in this direction are given below.
Solar street lights: 57 Nos. (30 Watts) are installed in the campus.
Solar powerhouse: 6 modules (25KW each) are installed in the campus (2 Nos. in Ladies Hostel, 1 No. in Men's Hostel, 1 in Administration Block, 1 in Library and 1 in Digital Wing) and are functioning.
- Biogas plant: Two 30 cubicmetre Digister Volume Fixed Dome-shaped Biogas plants, each with an installation cost of Rs. 5.5 lakhs are proposed in Ladies Hostel, one each in New and Old Blocks.

Water Conservation:

- Water harvesting: Extensive rain water harvesting projects have been implemented in the last five years. Three 20x20x6 m³ water conservation ponds were constructed at different locations of the campus. One large water conservation pond of size 50x50x6 m³ was constructed in the Botanical Garden for rain water harvesting. It holds water for about three feet depth even during extreme summer months. It is a main source of water for the Botanical Garden and University Park.
- Moisture Conservation Pits: Constructed 3000 moisture conservation pits of 1x-1x1 m³ size to conserve rain water and to recharge Ground Water at different locations of the Campus.
- Check dam construction: Constructed 5 structures of size ranging from 3x 3x2 m³ to 11.5 x 7 x 2 m in the campus to harvest rain water and reduce soil erosion.

Efforts for Carbon neutrality:

- Implementation of E governance: Implementation of e-governance in the University is one among the novel means to promote carbon neutrality. E-governance implemented through DDFS considerably reduced the use of paper and other office stationery in the University. Emailing and web posting of hand outs are also promoted both in the administrative and academic sectors.
- Introduction of non-polluting vehicles
For the maintenance of a smoke free campus, bicycles were issued to the students free of cost. The stakeholders were mainly hostel dwellers of the campus.
- Restriction on plastic and other polymeric materials for advertisements:
Use of rexine/plastic or allied materials are restricted in the campus for the printing of banners/posters etc.
- Green planting/carbon offset planting: Excessive planting of biodiverse mix tree species has been practiced in the campus for enhancing its environmental quality.

Plant Diversity Conservation:

- **Calicut University Botanical Garden:**
Established in 1971 in the lush green panoramic, undulating, lateritic hummocky land of the Calicut University Campus, the Calicut University Botanical Garden (CUBG), has developed into an excellent centre of biodiversity and ex situ conservation of tropical Indian flora and exotic species.

Hazardous waste management:

- **E-waste management:** Yes. The University has implemented the Government order (No.75454/AD-K-ASST-4/2015/Admn dtd. 15.06.2015) and registered with Clean Kerala Company to remove the e waste out of the campus. Effective implementation of such programme has been accomplished in the University through a centralized process, monitored by the University Science Instrumentation Centre (USIC).
- **Tobacco free campus:** The campus is declared 'Tobacco free campus' in the year 2009. Voluntary organizations like NSS periodically organize campaigns for the same.
- **Waste Treatment Plants:** Waste disposal bins are kept in all departments as well as in open areas of the campus for the collection of biodegradable solid wastes. Such materials are either subjected to composting in large tanks or incinerated (controlled). The University follows the REDUSE policy towards non-biodegradable waste materials. The liquid wastes generated are made to settle in stabilization tanks and are used for irrigation.

Criterion – VII

7. Innovations and Best Practices

- 7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Green Audit:

- The University conducts Green Audit for its campus and insists on such activities in affiliated colleges. Green audit for the campus is being carried out annually and on occasions prior to implementation of any developmental project, on a defined protocol. Efforts of tree planting in fallow lands, establishment of water harvesting structures for water management, installation of biogas plants for waste management etc. are outcomes of such audits/assessments undertaken by the University periodically. A 'Swach Campus Award', instituted by the University in 2015 for identifying clean and ecofriendly Departments within the campus is yet another initiative of the University in this direction.

Energy conservation:

- **Use of renewable energy:** Efforts have been undertaken to use solar energy on the campus and thereby to reduce conventional power consumption, which would help in overcoming power crisis. Solar energy is presently utilized for street lights and office purposes. Details of installations made in this direction are given below.
Solar street lights: 57 Nos. (30 Watts) are installed in the campus.

- **Biogas plant:** Two 30 cubicmetre Digister Volume Fixed Dome-shaped Biogas plants, each with an installation cost of Rs. 5.5 lakhs are proposed in Ladies Hostel, one each in New and Old Blocks.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Internal Academic Audit
- External mock visit in connection with NAAC Reaccreditation
- Student Feedback system
- Parents-Teachers interaction
- Alumni Meetings
- Separate meetings with students/teachers/non-teaching staff in connection with the forthcoming NAAC Visit.
- Green Audit

7.3 Give two Best Practices of the institution

Efforts for Carbon neutrality:

- **Implementation of E governance:** Implementation of e-governance in the University is one among the novel means to promote carbon neutrality. E-governance implemented through DDFS considerably reduced the use of paper and other office stationery in the University. 7.4 Contribution to environmental awareness / protection

- Adoption of Green Technology
- Waste Management in the Campus
- Water Harvesting projects
- Maintaining Plasticfree campus
- Installed Solar Powerplant Project
- Tobacco free campus

7.5 Whether environmental audit was conducted?

Yes

☒

No

☐

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength

- University with the largest number of affiliated colleges in Kerala.
- Located in the backward area of Kerala with the land of 569.43 acres.
- Well equipped Smart Classroom cum Seminar Hall.
- Well equipped Department and Central Library.
- Periodic updation in curriculum.

Weakness

- Insufficient permanent faculty.
- Availability of value added/soft skill programme is minimal.
- Lack of interaction between industry and academia.
- Less collaborations with outside institutions

Opportunity

- International students are admitted to MBA and M.Com Programme.
- Research facilities in terms of laboratory equipment and research journals are made available to all faculty.
- Research infrastructure in Social Sciences and Arts disciplines are available.
- Separate facilities for visually challenged in Central Library and Botanical Garden.

Threat

- Insufficient permanent faculty.
- Culture of formal paid consultancy is yet to start.
- Failure to find funding from alternate sources of revenue like Consultancy, etc.

8. Plans of institution for next year

Biotechnology: Planning to conduct workshop on Bioinformatics to impart hands-on training to PG students and research scholars from neighbouring colleges and University Departments.

Invite scientists from premium research institutes from within and outside the state to deliver lecture presentations for the benefit of students and faculty members.

Invite members of the Alumni, placed in various universities and institutes in the country to share their research experience with the students and faculty.

Commerce and Management Studies: Separate department for 1) Commerce 2) Management Studies. Organising research workshop series. NET/JRF coaching.

Computer Science: Improvement in utilizing more online learning facilities for the academic community of department. Making available shared resources and application through using cloud computing facilities.

Economics: Decided to organize national seminar in connection with the birthday of Dr. John Matthai. Organize seminars in connection with retirement of two faculty members. To install the statue of Dr. John Matthai at the Campus.

Education: Starting new courses on Guidance and Counselling, MA Education, Multimedia Education. Research and Extension activities will be strengthened during the next five years.

English: Introducing videoconferencing for distance learning. Producing audio and video materials for University Departments and affiliated colleges. Launching Centres for Cultural Studies, Translation and English Language Learning (The Department has already conducted programmes for school students and teachers of English at the Secondary and Higher Secondary Level during 2016-17).

Life Science: Development of infrastructure, library, teaching rooms, Animal House, submitting research projects by all the faculties, conducting seminars and workshop, extension activity etc.

Nanoscience: Planned a three day international conference on related areas of Nanoscience.. Decided to conduct a workshop for school children from nearby panchayaths.

Statistics: Workshop on Distribution Theory (local), Workshop on advanced Statistical Theory (National), Statistical Computing on 'R'. Erudite programme.

Lifelong Learning: To start a new foreign language course in German Language. To start a new certificate course (six months duration) under women empowerment scheme. To link with Govt. Agencies for organising workshops under empowerment scheme.

Malayalam: To build a multi lingual Seminar cum conference hall to enrich learning community to develop scholars and students who can learn multi language one another and can contribute a lot for multi literate global society. Moreover we hope that this may become a unique trans boarder working space for International Literature and Cultural studies across the country.

Political Science: 1) To organize a National Seminar on Polity, Economy and Society: Re imagining Kerala. 2) To start a centre for study of Democracy and Social Justice in the name of Dr. B.R. Ambedkar.

Sanskrit: International and national conferences, innovation of syllabi, infrastructural development.

School of Drama and Music: Commencement of PG Course in Dance, Fine Arts, Film Studies and Applied Theatre.
