FOREWORD

The University of Calicut, established in 1968, is one of the premier institutions of higher learning in the country. Being the largest University in Kerala with a sprawling campus of 526 acres and a student population of more than 3,00,000, its jurisdiction extends to five districts of Kerala. It has 35 Teaching Departments, 13 Schools, 398 affiliated colleges and 128 Boards of Studies under 14 faculties.

Exponential advancements are occurring all over the world, in the field of education that have caused huge developments in the life and culture of global community due to sporadic revolutions in digital technology, information and communication technology and biotechnology. This has transformed the world into a global village, demanding great interaction.

A competent teaching staff orientated towards research and innovation, a disciplined and focused student community and a team of committed supporting staff are ingredients of excellence. Over the past few years the University has invested heavily in these vital areas. Several programmes have been launched to make the University more student-centred and academic friendly. Still we have miles to go towards the goal, encompassing the whole population, especially the backward classes and the underprivileged. Towards attaining this goal, an Institute of Tribal Studies & Research (ITSR) has been established in August 2015 at Chethalayam; Wayanad, a Residential Campus exclusively for tribal students. Now we have started MA Sociology Programme also. Community Disability management and Rehabilitation Project (CDMRP) under the auspices of Department of Psychology, is another prestigious project of the University in association with Social Justice Department of Government of Kerala. By this time we have established 11 clinics which extend even beyond jurisdiction. payment Gateway furthering the dream of cashless transaction, completely examination system and many more projects are in the pipeline. Development of skills of our students for better employment along with academic excellence is to be given paramount importance.

The year 2017-18 was the Golden Jubilee year and many events were conducted as the part of the Golden Jubilee celebrations. The University hosted the South Zone Vice-Chancellor's meet of AIU. During the Golden Jubilee year, the University is proud that D.Litt. was conferred to three personalities viz; Ruler of Sharjah, Sri.Mohanlal and Smt.P.T.Usha. During this period, the NSS of the University completed construction of more than 100 houses under the scheme "Home for Homeless" and targeted to complete 250 houses by the end of March 2019.

Managing an institution of these proportions has been a challenging assignment. But signs have been encouraging and many of the issues are being effectively sorted out. I am proud to cite that University of Calicut has been accredited by NAAC (Cycle-3) at "A" Grade Level with CGPA of 3.13 on a 7 point scale during 2016. The support and co-operation from the students, faculty, administration and the public were overwhelming. Measures are afoot to modernize the entire system after plugging the loopholes to deliver immediate results. The potentials in sports and co-curricular activities are to be tapped using the magnificent infrastructure. Also, we are honoured with 105th place among Higher Education Institutions and 73rd place among Universities by National Institutional Ranking Framework (NIRF) and 158th position among the universities in the BRICS countries & 39th among Indian Universities.

This Annual Report is a chronicle of the University's activities during the year 2018. The academic activities, events and achievements of the teaching and research departments of the University and the affiliated colleges are briefly presented here.

Dr. K. Mohammed Basheer
Vice Chancellor

ആമുഖം

1968ൽ സ്ഥാപിതമായ കാലിക്കറ്റ് സർവ്വകലാശാല, രാജ്യത്തെ ഉന്നതവിദ്യാഭ്യാസരംഗത്ത് പ്രമുഖമായതും കേരളത്തിലെ ഏറ്റവും വലുതുമായ സ്ഥാപനമാണ്. ദേശീയപാതയോട് ചേർന്ന് 526 ചതുരശ്രമൈൽ വിസ്താരത്തിൽ ഈ കലാശാല ക്യാമ്പസ് സ്ഥിതി ചെയ്യുന്നു. 3,00,000-ൽ അധികം വരുന്ന വിദ്യാർത്ഥി സമൂഹത്തിന്റെ പാഠ്യപരമായ ആവശ്യങ്ങളും നിറവേറ്റിപ്പോരുന്നു, ഈ സ്ഥാപനം. വടക്കൻകേരളത്തിലും മധ്യകേരളത്തിലുമായി സ്ഥിതി ചെയ്യുന്ന അഞ്ച് ജില്ലകളിലെ ഉന്നതകലാലയങ്ങൾ ഈ സർവ്വകലാശാലയുടെ അധികാരപരിധിയിൽ വരുന്നു. 35 പഠനവകുപ്പുകളും 13 സ്ക്കൂളുകളും 398 അഫിലിയേറ്റഡ് കോളേജുകളും സർവ്വകലാശാലയുടെ കീഴിലുണ്ട്. 14 ഫാക്കൽറ്റികളിലായി 128 പഠനബോർഡുകൾ സർവ്വകലാശാലയുടെ ഭാഗമാണ്.

തുടക്കംകുറിച്ച നാൾതൊട്ട്, മാറിവരുന്ന അക്കാദമിക്സമൂഹത്തെ മുന്നിൽകണ്ടുകൊണ്ട് അവരുടെ ആവശ്യങ്ങൾ ഏറ്റെടുക്കുന്നതിലും അവയെമുന്നോട്ടുകൊണ്ടുപോകുന്നതിലും സർവ്വകലാശാല സദാ ജാഗ്രതപുലർത്തിയിട്ടുണ്ട്. ഡിജിറ്റൽ സാങ്കേതിക മുറകൾ മുന്നോട്ടുവെയ്ക്കുന്ന പഠനസമ്പ്രദായം സത്വരമായ മാറ്റങ്ങൾ ആവശ്യപ്പെടുന്ന ഇക്കാലത്ത് കഴിഞ്ഞ ഒരു ദശകകാലമായി ഈ മുന്നേറ്റചരിത്രത്തോടൊപ്പം നിലകൊളളാനും വിപ്ലവകരവും സർഗാത്മകവുമായ നിർദേശ്ശങ്ങൾ മുന്നോട്ടുവെയ്ക്കാനും സർവ്വകലാശാലയ്ക്കായിട്ടുണ്ട്.

ഡി.ഡി.എഫ്.എസ്. ഫയലിംഗ് സമ്പ്രദായവും ഇതര ഓൺലൈൻ സംവിധാനങ്ങളും പരീക്ഷിച്ച് പ്രയോഗവൽക്കരിച്ച കേരളത്തിലെ ആദ്യത്തെ സർവ്വകലാശാല ഇതാണ്. കഴിഞ്ഞ വർഷം സർവ്വകലാശാലയുടെ സുവർണജൂബിലി വർഷംകൂടിയായിരുന്നു. ആഘോഷങ്ങളുടെ ഭാഗമായി സംഘടിപ്പിച്ച എക്സിബിഷനുകളും, വൈവിധ്യമാർന്ന ജ്ഞാന മേഖലകളിൽ ഉജ്ജ്വലവ്യക്തിത്വങ്ങളെ പങ്കാളികളാക്കിക്കൊണ്ട് നടത്തിയ പ്രഭാഷണങ്ങൾ, കലാപരമായ ആവിഷ്ക്കാരങ്ങൾ എന്നിവയൊക്കെ എടുത്തു പറയേണ്ടതുണ്ട്. പാരിസ്ഥിതികമായ നിരവധി സംരംഭങ്ങൾക്കും ഇക്കാലയളവിൽ സർവ്വകലാശാല തുടക്കം കുറിക്കുകയുണ്ടായി. ഹരിതകലാലയം എന്ന സങ്കൽപത്തിന്റെ മുന്നോടിയായി, നാനൂറോളം വരുന്ന അഫിലിയേറ്റഡ് കോളേജുകളുടെ സഹകരണത്തോടെ സാമൂഹ്യവനവത്കരണത്തിന് നാന്ദികുറിച്ചു. 'എന്റെ മരം' എന്നതായിരുന്നു മുദ്രാവാക്യം.

അഫിലിയേറ്റഡ് കോളേജുകളിലെ നാഷണൽ സർവ്വീസ് സ്കീം യൂണിറ്റുകളുടെ സഹായസഹകരണത്തോടെ, കിടപ്പാടമില്ലാത്തവരും കഷ്ടപ്പാട് അനുഭവിക്കുന്നവരുമായ കുടുംബങ്ങളെ മുന്നിൽക്കണ്ടുകൊണ്ട് സർവ്വകലാശാല തുടങ്ങിവെച്ച ഭവനനിർമ്മാണപദ്ധതിയായ 'അഭയം' ശ്രദ്ധേയമായ ഒരു കാൽവെയ്പാണ്. ഈ സംരംഭത്തിന്റെ ഭാഗമായി നിർമ്മാണമാരംഭിച്ച 250 വീടുകളിൽ പണിപൂർത്തിയായ 81 വീടുകളുടെ താക്കോൽ കൈമാറ്റം നടത്തുകയും ചെയ്തു. അധ്യാപകരിൽ നിന്നും വിദ്യാർത്ഥികളിൽ നിന്നും നിരവധി പേർ കൂട്ടുത്തരവാദിത്തത്തോടെ ഈ പ്രക്രിയയിൽ പങ്കാളികളാവുകയുണ്ടായി.

റിപ്പോർട്ട് വർഷം കേരളത്തിലുണ്ടായ അതിവർഷവും പ്രളയക്കെടുതികളും വലിയൊരു സാമൂഹ്യദുരന്തത്തിന് കാരണമാവുകയുണ്ടായി. ഈ സമയത്ത് കലാശാലയിലെ അധ്യാപകരും വിദ്യാർത്ഥികളും അവസരത്തിനൊത്തുയരുകയും മെഡിക്കൽ-റിലീഫ് ക്യാമ്പുകൾ സംഘടിപ്പിച്ചുകൊണ്ട് ദുരന്തത്തിനിരയായവർക്ക് സഹായഹസ്തമായി നിലകൊളളുകയും ചെയ്തു. രണ്ട് ആഴ്ചയോളം നീണ്ട ദുരിതാശ്വാസപ്രവർത്തനങ്ങളിൽ 15,000 എൻ.എസ്.എസ്. വളണ്ടിയർമാരും ഭാഗഭാക്കായിരുന്നു.

അക്കാദമികരംഗത്ത് അഭിമാനകരമായ നേട്ടങ്ങളുടെ കാലമായിരുന്നു കഴിഞ്ഞവർഷം. ബ്രിക്സ് (**BRICS**) നടത്തിയ ലോകസർവ്വകലാശാലകളുടെ റാങ്കിംഗ് പട്ടികയിൽ 158-ാമത് സ്ഥാനവും, ഇന്ത്യയിലെ ആർട്സ് & സയൻസ് സർവ്വകലാശാലകളുടെ റാങ്കിംഗ് പട്ടികയിൽ 6-ാമത് സ്ഥാനവും കാലിക്കറ്റിനുണ്ട്. കൂടാതെ രാജ്യത്തെ ഉന്നതവിദ്യാഭ്യാസസ്ഥാപനങ്ങളെക്കുറിച്ചുള്ള സർവ്വേയിൽ നമ്മുടെ റാങ്ക് നിലവാരം 105-ഉം, കലാശാലകളുടെ റാങ്കിംഗ് പട്ടികയിൽ 73-ാമത് സ്ഥാനവും നമുക്കുണ്ട്.

സർവ്വകലാശാലാ സുവർണജൂബിലിയോടനുബന്ധിച്ച് വൈവിധ്യമാർന്ന അക്കാദമിക പരിപാടികൾക്ക് തുടക്കമിടുകയുണ്ടായി. സമീപഭാവിയിൽ കലാശാലാ പ്രൊഫൈലിന്റെ തിളക്കം ഒന്നുകൂടി വർദ്ധിപ്പിക്കാൻ ഇതുകൊണ്ടായേക്കും.

പാഠ്യേതര പ്രവർത്തനങ്ങളിൽ വിശിഷ്യ കലാകായിക രംഗത്തും പ്രശംസനീയമായ നേട്ടങ്ങൾ കൈവരിച്ച കൊല്ലം കൂടിയായിരുന്നു ഇത്. നാം കൊണ്ടാടിയ വൈവിധ്യമാർന്ന കലാവിഷ്കാരങ്ങളിലും നാടകാവതരണങ്ങളിലും വിദ്യാർത്ഥികളുടെ പങ്കാളിത്തം അഭൂതപൂർവ്വമായിരുന്നു. അതുപോലെത്തന്നെ, ദേശീയതലത്തിലും സംസ്ഥാനതലത്തിലും കായികമത്സരരംഗത്ത് നമ്മുടെ കുട്ടികൾ മികച്ച നേട്ടങ്ങൾ വാരിക്കൂട്ടി. സർവ്വകലാശാലയുടെ ഭാവിയ്ക്ക് വേണ്ട പൊതുതീരുമാനങ്ങൾ എടുക്കുന്നതിനുള്ള സർഗാത്മകമായ പ്രേരണകൾ സുവർണജൂബിലി വർഷം നമുക്ക് സമ്മാനിച്ചു.

സർവ്വകലാശാലയുടെയും അഫിലിയേറ്റഡ്കോളേജുകളുടെയും പോയവർഷത്തെ പരിപാടികളെക്കുറിച്ചുള്ള സംക്ഷിപ്തവിവരണമാണ് ഈ വാർഷിക റിപ്പോർട്ട്.

INTRODUCTION

Established in 1968, the University of Calicut, is one of the premier institutions of higher learning in the country and the largest university in Kerala. Situated on the sprawling 526 acre campus on the National Highway, this institution caters to the needs of a student population numbering more than 3,00,000. Its current jurisdiction extends to five central and northern districts of the state. With 35 teaching departments, 13 schools, 398 affiliated colleges and 128 boards of studies under 14 faculties, the University boasts of state of art curricular and co-curricular facilities and infrastructure.

Ever since its inception, the university has been alert in responding to the demands of the changing academic milieu in terms of both quantitative and qualitative challenges. With the rapid transformations unfurling in the fields of digital learning, the last decade had been momentous in our history and the university was to a great extent successful in rising up to the challenges thrown up by these upheavals. The university justly feels proud for being the first institution in Kerala to introduce DDFS and other online facilities. The past year marked the Golden Jubilee of the institution. It was marked by celebrations, lecture series, academic fares, visits of luminaries belonging to diverse fields and initiatives involving massive social and ecological commitments. As part of the Green Campus Initiative, a massive forestation drive was launched by the university with the active involvement of nearly four hundred affiliated colleges. The project with the theme *Ente Maram* is expected to give a massive push to the ecological drive.

Under the housing scheme initiated by the NSS units of the university and affiliated colleges, a project titled 'Abhayam' envisaging construction of 250 houses for homeless families is nearing completion. Keys of 81 houses thus built have already been handed over. The active involvement of our students and faculty in these efforts was a source of great inspiration.

However, the most challenging situation was caused by the flood that triggered large-scale destruction and wreaked havoc with life during the last monsoon. Our students and staff rose to the occasion by organizing medical and relief camps and actively taking part in the relief operations. 15,000 NSS volunteers were involved in the relief operations over two weeks.

On the academic front too, there was a lot to feel proud and emboldened. This year, the university was ranked as the 158th among BRICS countries and the sixth among Indian Arts and Science universities. In the country-wide ranking we are 105th among institutions of higher learning and 73rd among universities as per National Institutional Ranking Framework (NIRF). A variety of programmes have been initiated as part of the Golden Jubilee to further enhance the academic profile of the university.

This year was also a flattering one in the fields of co-curricular activities especially arts and sports. A series of art and theatre performances involving active student participation marked the year which also saw the university notch up impressive gains in sporting arena with notable achievements in several national and state-level competitions. On the whole, the Jubilee year has been a time to pause and feel proud as well as to make greater resolutions for the future. This annual report is a summary of the activities of the university and its affiliated colleges during the year 2018.

REPORT ON GOLDEN JUBILEE CELEBRATIONS

University of Calicut is the largest University in Kerala. Apart from its stellar achievements in curricular and co-curricular activities in the half a century of its existence, its initiatives in digitalization of Higher Education has also been remarkable. The Golden Jubilee Celebrations of the University was inaugurated by Hon'ble Chief Minister of Kerala, Sri. Pinarayi Vijayan on 29th July 2017. More than a year long Jubilee celebration was an occasion to commemorate the legendary figures as well as a moment to chart out the future course of action in rapidly unfolding global scenario. The agenda of the Golden Jubilee functions covers a whole gamut of academic as well as social programme aimed at further boosting the university's academic and social profile.

As part of the Golden Jubilee Celebrations, the University conducted a two-day South Zone Vice Chancellor's Meet in association with Association of Indian Universities on 18th and 19th December 2017. It was also an occasion to showcase the digital initiatives of the University of Calicut during the last few years and to provide a platform for short, but informed, in-depth scholarly discussions on digital models in Higher Education, core issues in ranking and accreditation of universities and the prospects and challenges in the conceptualization and realization of world-class universities.

Some of the major events took place during the Golden Jubilee period are as follows:

* **'Ente Maram'** programme was officially inaugurated on 4th August 2017, followed by Institutional Plantation' of 1000 Fruit & Medicinal Tree Saplings in association with Social Forestry Division, Malappuram as part of the Golden Jubilee Green Campus Campaign on 11-08-2017 on the Campus of the University.

* **Academic Master Plan:** Conducted a Workshop on Academic Master Plan on 24-8-2017 at the University. Padma Shri Prof. J.A.K. Tareen, Former Vice Chancellor of - University of Kashmir, Pondicherry Central University and B.S. Abdur Rahman University, Chennai gave the key-note address. Technical discussions were held on various subjects such as World Class Universities – Characteristics and Challenges, Global Scenario of Higher Education, Vision 2030-Policy Perspective, etc.

* University of Calicut has been enrolled as a member of **United Nations Academic Impact (UNAI)** which is an initiative that aligns institutions of higher education with the United Nations in actively supporting and contributing to the realization of UN goals and mandates including the promotion and protection of human rights, access to education, sustainability and conflict resolution.

* Golden Jubilee **Green Campus Campaign (GJGCC) & Green protocol Training** Programme to Nodal Officers was conducted at Yuvakshetra College, Palakkad and Training Programme to students of affiliated colleges of Palakkad and Thrissur districts at St Thomas College, Thrissur, on 16-08-2017; to students of affiliated colleges of Wayanad and Kozhikode districts at JDT Islam Arts& Science College, Kozhikode on 17-08-2017; to the students of affiliated colleges of Malappuram district at KAHM Unity Women's College, Manjeri on 22-08-2017.

* On the occasion of the Golden Jubilee celebrations of the University and in tune with the slogan of the Golden Jubilee celebrations - "***University to the people***" - the new initiative of the University NSS Cell ***'Abhayam- Suvarna Jubilee Bhavana Padhathi***' was started. The University of Calicut is spread over the 5 northern districts of the state which include Wayanad and Palakkad the most backward among the districts of Kerala. Having 228 units of NSS colleges span over the region, NSS Cell proposed that each NSS unit will initiate the construction of at least one house for the homeless, during the year as its flagship programme with the label **Golden Jubilee Home for Homeless,** which will be given to the eligible homeless student of the college or the eligible homeless person of the adopted village/ nearby area, during this year itself. Construction of 250 houses under Abhayam project was started in 2017-18. So far keys of 81 houses were handed over to beneficiaries. It is commendable that some of the units have taken initiatives to construct more than two houses. Construction of 100 houses nearing completion, the works

slowed down as most of the NSS Units concentrated on flood relief and rehabilitation operations. NSS Department is hopeful of completing the construction of 250 houses by December 2018.

* **Exhibition of Books**: Book release and three-day exhibition of books authored by H.H. Dr. Sheikh Sultan Bin Muhammad Al Qasimi, Supreme Council Member of UAE and Ruler of Sharjah was conducted at CHMK Library, University of Calicut from 19-21 October 2017.

* **Pandit Madan Mohan Malaviya National Mission on Teaching & Training** (PMMMNMTT): conducted training courses (1) Short term evaluation in Higher Education from 21.08.17 to 28.08.17 (2) Induction Training Programme of Teachers of College, University and Higher Education from 23.11.17 to 22.12.17 and from 02.05.18 to 31.05.18.

* **International Academic Relations**: The Vice-Chancellor and Pro-Vice Chancellor of the University visited Coventry University, United Kingdom in the second week of November 2017 and held discussion with its officials on mutual Academic collaborations. In continuation to this visit, two dignitaries from Coventry University, UK – Dr. Mark Holton, Group Director, Organisation Development and Executive Director, University Research Centre for Global Learning, Education and Attainment and Dr. Andrew Turner, Associate Pro-Vice-Chancellor (Teaching and Learning) visited University of Calicut from January 31 to February 2, 2018.

* Department of Physics conducted training on **Computer Interfaced Science** on 06.11.2017 for High School Students, Physics Teachers of CBSE Schools, Physics Teachers of Higher Secondary Schools and Physics Teachers of Colleges.

* Hosted **South India Inter University Football** Tournament and **All India Football** Tournament on the Calicut University Campus from 21st December 2017 to 29th December 2017 and 31st December 2017 to 05th January 2018.

* Conducted **Golden Jubilee Mega Quiz Competition** for students of Affiliated Colleges on 19.01.2018. First prize was Singapore trip, Second prize Rs.30,000/- and third prize Rs. 10,000/-

* **The 38th South Indian History Congress** was conducted on the Campus from 28-30 January 2018. Nearly 1200 delegates from various parts of the country participated in the programme and presented papers in various sessions.

* **'Open House Exhibition** was conducted on 9 March 2018, in continuation of Shasthrayaan programme which aims at making the achievements and research outcomes of the Universities and Colleges open to the public in Open House mode. The Open House Exhibition was conducted in the University Campus with the whole hearted participation from all the University Departments and other government departments.

* A **"Nellara Museum"** was instituted at Calicut University Centre at Malappuram on 27.03.2018. A large variety of Rice Grains are preserved here.

* **Golden Jubilee Sports competition** conducted for Staff and Students of University on 04.04.2018 to 10.04.2018.

* **Summer Sports Coaching Camp** was conducted from 05.04.2018 to 15.05.2018 to discover and train young talents in the field of sports.

* **"Young Entrepreneurs Meet"** was conducted on 18.06.18 and 04.08.18 in association with Calicut Management Association for students with a view to introduce start-up concept and managing business ventures. And also for exploring collaborative research with University.

* **Golden Gathering**:- As part of Golden Jubilee celebration of the University a get-together of former Vice Chancellors, Pro Vice Chancellors, Syndicate & Senate Members, Statutory Officers, retired teachers of the University Departments, Joint Registrars & Deputy Registrars christened 'Golden Gathering' was conducted on 30th July 2018. 'Golden Gathering' was conceived to create a platform for the participants

to travel down their memory lane, share green memories of their University days, their perspectives about the University in its journey forward, and also to honour them for their yeoman service in building up the University. The programme evoked great response from the enthused dignitaries as well as the University community.

* **Golden Jubilee Civil Service workshop**: Conducted interaction meet with winners of civil service examinations and other successful civil servants on 01.08.2018.

* **The Indian Colleges Forum (ICF)** under the Society for Education and Economic Development (SEED), New Delhi: University of Calicut organized a one-day Workshop in association with the Kerala Chapter of ICF on "Embracing Technology in Higher Education – The Challenges and Opportunities for Colleges". Representatives of selected affiliated colleges from all over Kerala attended the workshop on 24th November 2018. During the technical sessions of the programme 'Technology Enabled Teaching Learning Process and Governance of College' and 'The Role of Technology in Assessment, Accreditation and Ranking of Colleges' were discussed. The keynote address was given by Dr. G.D. Sharma, ICF National President & former UGC Secretary.

* **Seminars, Workshop, Lectures:** Conducted more than 150 National, International Seminars, Workshops, Academic events, Erudite Lectures, Frontier Lectures etc as part of Golden Jubilee Celebrations. Prof. (Dr.) Gilberto Jose de Moraes, Department of Entomology and Acarology, University of Sao Paulo, Piracicaba, Brazil gave erudite seminar on "Frontiers in Acarological Research – The Mighty Mite" & talk on "Predatory mites as Biological Control agents" at University of Calicut. Prof. Fabio Parasecoli, Professor, Department of Nutrition and Food Studies, New York University delivered lecture on 20.02.2018 on the topic "History of Food". Department of Women's Studies organized an Interaction session with Prof. Alcira Ferero-Pena, University of New York.

* **Medical camp** and eye testing camps were conducted for the staff, students and people from neighboring Panchayaths.

* **Golden Jubilee Staff Development Programme**: Training imparted to all category of staff and teachers including Heads of Departments.

* **Global Initiative of Academic Networks:** During the Golden Jubilee year, University applied for 14 GIAN courses and received approval for 8 courses.

* **Golden Jubilee Degree Release**: In the Golden Jubilee year, the examination system has witnessed a breakthrough by publishing final UG results of regular and distance students together for the first time in 33 days, PG results much ahead of other universities - selected results even within 24 hours - and finally by conducting the unique 'Golden Jubilee Degree Release' convocation programme to issue Degree certificate on a single day to all applicants.

* **Golden Jubilee Valedictory Function** was conducted on 17 December 2018 at EMS Seminar Complex. The function was inaugurated by Sri. Justice (Retd.) P. Sathasivam, the Hon'ble Governor of Kerala and Chancellor of the University. Dr. K. Mohammed Basheer, Vice Chancellor has welcomed the gathering followed by the presentation of report on Golden Jubilee Celebrations by Sri.K.K. Haneefa, Member Syndicate. Felicitations were offered by Prof. P.Mohan, Pro-Vice-Chancellor and Prof. R.Bindu, Member Syndicate. Dr. K.T. Jaleel, Hon'ble Minister for Higher Education delivered the presidential address. The programme witnessed the honouring of Prof. M. Sabu, Department of Botany, being nominated as a fellow of the Indian National Science Academy (INSA) by Hon'ble Chancellor. Dr. Abdul Majeed T.A., Registrar offered the vote of thanks. In the afternoon session, cultural events were organized which showcased the skills of martial arts of differently abled students who had undergone training of CDMRP by the University. 'Pava Kathakali and Tholpavakooth' were staged by the students of the University Department of Folklore Studies. Also students of Kerala Kalamandalam presented a visual treat of a fusion of various art forms named 'Under the Tree'.

2 - ART & PHOTOGRAPHY UNIT

Name and Designation of the Head: Sri.Ajaya Kumar.K, Artist Photographer i/c of the Head

Brief note on the works pertaining to the Art & Photography unit:

Art & Photography unit established in 1982 as a centralized unit for the artistic and photographic work of the University of Calicut, which is placed within the Department of Botany since its inception.

The major objectives of this unit are to carry out the artistic and photographic work related to the academic and non-academic area and to cover important events of the University. The research wing of the University especially the science departments frequently utilize the technical assistance from this unit for the photographic

documentation of their research work and also for creating scientific drawings. All the work is being carried out on request with proper intent forwarded by the head of the divisions.

In addition to Head, one Artist-photographer and one Photographer are working in the unit. The team, in close consultation with Departments and officers of the concerned programme committees of the University, has worked to cover all the functions and programmes conducted during the year.

Most of the academic work came from the Science Departments of the University of Calicut. The work involves outdoor and indoor photography, preparation of photographs, microphotographs, photomicrographs etc.

The artistic works mainly concentrated in the area of book cover designs, graphic representations, preparation of charts, scientific diagrams, tabular data and resource map preparations. Indoor and outdoor work for the researchers in various Departments was also carried out by our photographers on request.

Research scholars of various Departments approach this division for the photographic work and preparation of plates for thesis. All the photographic works undertaken in this Department are well documented with all particulars in a separate register, which are available for future reference if required. Preparation of scientific drawings and plates for the thesis of Ph.D., M.Phil. and M.Sc. students are also being carried out in this unit.

Another objective of our unit is to undertake the outdoor photographic works of various functions organized by the Departments and University. These photographs have been processed, documented and issued to the authorities at the earliest after every function. Copies of the photographs have been submitted simultaneously to the Public Relations Officer of the University for press release. Copies of digital photos stored in CDs are being maintained after making entry in the register.

In this year Art & Photography Unit participated in the Exhibition in connection with the Sastrayan 2018,conducted by the University.

During the year 2018, this unit issued 13,000 Scientific and general photographs, cover designs for Annual Reports and drawings in connection with the research works and other events of the University.

Name & Designation of the Head: Anil kumar V.R., Executive Engineer (Electrical) i/c of the UE

University Engineering Department was established in 1968 with the purpose of designing, construction and maintenance of all infrastructure facilities of the University. At present this Department deals with all the construction and maintenance work of University Campus which spreads over an area of about 520 acres of land under Pallikkal, Chelembra and Thenhipalam Grama Panchayats in Malappuram District and University extension centers at Arnattukara, in Thrissur District and Vadakara in Kozhikode District and the campus for Tribal Studies and Research in Chethalayam, Wayanad District. In addition to this, the construction and maintenance of infrastructure at UTEC centres at Sulthanbathery, Kaniyampatta, Calicut, Chakkittapara, Manjery, Malappuram, Koduvayoor and Valappad comes under the Engineering Department.

Presently, apart from the maintenance of various existing buildings, other new construction works are in progress. In addition to this, renovations of various buildings, landscaping etc in various locations are also in the execution stage.

The Engineering Department also provides uninterrupted water and power supply and good road facilities inside the campus. Since there is no dependable water source in the campus, water is collected from the nearest perennial source, Kadalundy River at Parakkadavu, which is about 10 Kms. away from the campus on southern side. The water is brought to the campus through underground cast iron tubes. The water is treated, made potable and stored in various overhead and ground level tanks. The quality of water is got checked frequently through the Government Analytical Laboratory, Kozhikode or Kerala Water Authority. Construction of rain water harvesting reservoirs in the campus was also started.

Similarly, the electricity is purchased in bulk through dedicated feeder system to avoid voltage drops and distributed throughout the campus. The system is also coupled with generator back up to avoid power failure. Wide network of street-lights, lighten the campus during night hours. In addition to this the enhancement of substation capacity in the main campus and JMC campus were completed. Installation of solar energy units in various locations is also executed.

There are also 348 quarters of different types to accommodate the teaching and non-teaching staff, Guest houses with A/C and Non A/C rooms and also hostels for men and women, the maintenance and repair of which are done by this department. Projects for enhancing the capacity for accommodation in the hostels are being taken up.

The Engineering Department also provides and maintains necessary infrastructure facilities like, Academic block, Workshops, Laboratories, overhead Water tanks and distribution system, well, Canteen, play grounds and Hostel facilities for both men and women, electrical substation etc. to the Calicut University Institute of Engineering and Technology which is run by the University of Calicut at Kohinoor, 2 Km. away from the main Campus.

15 - FINANCE

Name & Designation of the Head: Suresh K.K, Joint Registrar in-charge of Finance Officer

Introduction

The Act and Statute of the University envisages that the entire amounts received to the University shall form one consolidated fund styled "the Calicut University Fund" and shall be employed for the purposes and in the manner laid down in the Act, Statutes, Ordinances, rules, bylaws and orders made thereunder. It is the duty of the Finance Wing to ensure that the moneys received to the Calicut University Fund and paid there from are in compliance with the prevailing rules and regulations and that each transaction is properly accounted for and reported to the stake holders as stipulated in the Act, Statutes and regulations. In order to control and account the inflow and outflow of the Calicut University Fund, University resorts to the Budgetary Control System.

System of Accounting

University is following Cash System of Accounting. The Annual Account of the University is prepared in four parts, classifying all the receipts and payments into four on the basis of source of funds and payments there from. Part I of the Annual Accounts deals with the non plan funds of the University and includes Non Plan Grant receipts from the State Government and payments there from. Part II deals with the developmental activities of the University. The receipts and payments on account of State Plan Grant, UGC Plan Schemes, RUSA and income and expenditure of Cost Based Courses run by the University are included in this part. Part III of the Annual Account deals with receipts and expenditure against funds earmarked for specific purposes and Part IV deals with temporary appropriation of University Funds towards Debts, Deposits and Advances.

Current Financial Position

The Non Plan Grant Sanctioned to the University for the Financial Year 2017-18 is Rs.198.23 crores. The developmental activities of the University are mostly depending on the Plan grant sanctioned by the State Government, UGC and grant received under RUSA Scheme. The State Plan Grant sanctioned for the Financial Year 2017-18 is Rs.24 crore.

Overview

The Non Plan Funds of the University is reporting surplus for the last few years. Even though the University at present is in a position to meet all its liabilities, the present financial position of the university cannot be considered as satisfactory. There is wide gap between the non plan grant sanctioned to the University and total non plan expenditure of the University. At present the deficit is made good from income generated internally. Despite the constraints in increasing fees for services etc, University has been able to increase its income from internal sources on a study basis during the past. . But with the introduction of new Universities the revenue from internal sources may get decreased in future and the same may adversely affect the financial position of the University to a large extent. The major financial problem faced by the University is the alarming increase in salary and pension bills due to the revision of pay, retirements and new recruitments etc. The situation may get worse in the near future itself on implementation of UGC pay revision. Due to the non availability of sufficient funds, University is not able to constitute a Pension Fund till date.

Major Flagship Programme :- "Abhayam – Suvarna Jubilee Bhavana Padhathi"

On the occasion of the Golden Jubilee celebrations of University this year and in tune with the slogan of the Golden Jubilee celebrations - "***University to people***" - the University NSS Cell proposed a new initiative *'Abhayam-Suvarna jubilee Bhavana Padhathi'*.

The University of Calicut is spread over the 5 northern districts of our state which include Wayanad and Palakkad the most backward among the districts of Kerala. Having 228 units of NSS in colleges span over the region, NSS Cell proposed that each NSS unit of our Cell will initiate the construction of at least one House for the homeless, during the year as their major flagship programme with the label **Golden Jubilee Home,** which will be given to the eligible homeless student of the college or the eligible homeless person of the adopted village/ nearby area, during this year itself.

Status of Abhyama Project: -

Work Completed	6	18	20	1	10	*55*

Construction of 183 houses under abhayam project was started in 2017-18. So far keys of 55 houses were handed over to beneficiaries. It is commendable that some of the units have taken initiatives to construct more than

two houses. Construction of 100 houses nearing completion, the works related to this became slowed down now as most of the N S S Units concentrated in to flood relief and rehabilitation operations. N S S Department initiates to complete the constuction of 250 houses by December 2018.

Campus Bio Diversity Parks:- All N S S Units were directed to identify and select a part of the Campus to be transformed and conserved as a bio diversity park. More than 150 bio diversity parks were created by N S S units in various college campuses. The work was started on the day of Keralappiravi 2017.

Back To Agriculture : Previous major flag ship programme **"Back to Agriculture"** was continued, as it has helped in igniting sense of meaningful awareness among youth towards the good practices of agriculture. N S S Units identified more raw land in the locality and converted to fertile land with the help of concerned governement departments and self help groups like "Kudumbashree".

Water conservation and Management : Conservation of water, especially rain water and water resources is identified as one of the major thrust area of N S S activities. Meaningful and long lasting efforts to identify and conserve the lost water sources in the locality was palnned and implemented. N S S Units & volunteers found out that maintenance of these precious water bodies will be the most important social service as it is beneficial to the generations following. Massive water conservation literacy campign, before the onset of drought is also undertaken.

Household Self Sufficiency and Waste Management: Programmes were implemented to enable the tranformation of house holds in the adopted village and neighburhood to self sufficiency in the case of vegetable production by creating awareness about terrace farming and grow bag farming. A series of actions for the reduction of waste footprint, source level processing of waste, house hold waste management, eradication of plastic waste are undertaken by N S S units. N S S units were encouraged to spread awarenes about the severity of dumping waste at public places and to make efforts to install waste compost pits at places of public importance also installed waste indigeneous waste management systems at palces of public imporatance, schools and adopted villages. Awareness on bio gas palnts, Pipe compost for the house hold waste management and training in paper bag and cloth bag making as an alternative to plastic carry bags were also carried out.

Cleaning Campign : In tune with the nation wide call for Swachch Bharath, N S S Units and Volunteers replicated efforts for swachchatha – Cleanliness – at personal and neighborhood levels, after which the same extended to more areas which to materialize small but meaningful leaps towards the vision of Swachch Bharath. Cleaning Campigns, mass oath taking, campus cleaning, awareness classes on personal, social, and public cleanliness were undertaken under the theme of Swachch Bharath.

Environmental Enrichment Programmes : The importance of environmental conservation is infused to volunteers and to the community through environmental enrichment programmes. The initiatives for campus bio diversity, conservation of rivers and ponds and their ecology, awareness about conservation of mangrooves, awareness programmes at ecologically important palces about the conservation of nature and movement to eradicate palastic and other wastes from rivers and ponds are carried out as a part of environmental enrichment initiatives.

Campus to Community :- Various community extension programmes were implemented by N S S Units so that every second of action of an N S S Volunteer has become beneficial for changing the condition of a fellow human being, social, economical and in all aspects. Below listed programmes designed and implemented keeping the aspect in mind, have become helpful in making the most unprivileged of this soceity a beneficiary of N S S activities.

1. Socio Economic Surveys
2. Blood Donation camps and awareness
3. Blood Donation Directories
4. Stem Cell identification camps and stem cell registry.
5. Construction of Toilets for needy
6. Palliative Care efforts
7. Visits to Old Age Homes / Orphanages / Destitude Homes
8. Planting Saplings
9. Pusthaka Thottil

The efforts of the volunteers become more effective when the results of the above programmes were handed over to Local Self Government institutions and other relevant Govt. Departments. By this volunteers enormously contributed to the noble nation building efforts.

Anti Drug/Anti Narcotic/Anti Tobacco Activities

Various activities were carried out with the objective to safe guard the younger generation from the menace of drug abuse and evil effects of alcohol and tobacco products. As an extension activity anti drug – anti alcohol-anti tobacco campaign was extended to adopted village and neighborhood. Awareness classes, flash mobs, house visits, pamphlet distribution, surveys were taken up as part of these activities in coordination with preventive departments. Anti drug clubs formed in colleges, to monitor the college and report any incident related to drug abuse/ alcohol/tobacco. Joint consultation of Health, Excise and Police Departments were also received for meaningful implementation of anti drug activities. As this area need more attention, this year the university cell proposes this as one of our major thrust area.

Anti corruption Drive - Zero Corruption, 100 % Development: In continuation with last years anti corruption drives in association with Vigilance and anti Corruption bureau, awareness camps and orientation sessions to mobilize the theme of "Zero % Corruption, 100 % Development" were organized. NSS Vigil – an initiative to deploy the whistle blowers against corruption was implemented in many locations. Collaborative initaitive with Vigilance and Anti Corruption Bureau and OISCA to have Green Vigilance also continued. The University cell introduced N S S Vigil centres in many units, the first being inaugurated at the Zamorin's Guruvayurappan College, Kozhikode.

Skill Acquisition Programme: Programmes were implemented to develop the skills of N S S volunteers and through them the whole student community to equip them to come out with colourful wings, while completing their education. The programmes in this regard include Entrepreneurship development, Personality Development programmes, Communication skills, Soft Skills, Disaster Management, Yoga & Health Awareness programmes, training on Solid Waste Management, training on installation of Bio-gas plants, training on repair of house hold equipments, handicrafts making training, cookery and confectionery making training, training on Paper & cotton bag manufacturing.

National Integration Initiatives

NSS units took up activities that befittingly celebrated the rich heritage of communal plurality of our nation. The occasions of Independence Day, Republic Day etc were celebrated in colleges, adopted villages and neighbourhood locality. Seminars, debates and quiz programmes were also conducted. Efforts were made to trace the history for the actions took place in the locality connected to freedom struggle and published as a manuscript magazines by N S S Units on special occasions of national importance.

Awareness on Cyber Crime and intelligent use of social media

Awareness about Cyber crime in and around campus were conducted by N S S Units. Workshops and awareness classes were conducted about right and intelligent use of social media.

24 - PAREEKSHA BHAVAN

Name & Designation of the Head: Dr. V.V. Georgekutty, Controller of Examinations

Pareeksha Bhavan conducts more than ten thousand examinations in a year for 271 programmes offered by the University. In addition to these, the University conducts various special examinations and Special Supplementary examinations for the benefit of the student community. Majority of the work related to examinations has been computerized so as to provide better and time-bound service to students. Candidates can submit applications online for the University examinations and also download hall tickets from the University website. Applications for Original Degree certificates has also been made online. Computer-generated degree certificates with hologram are being issued for the Degree/PG courses. Results are published online from the Digital Wing. The results can be accessed through the website www.uoc.ac.in. The University's e-payment facility helps the students remit fee online and avoid traveling to the University. Students can now pay fee by way of E-Chalan/E-Payment.

FINANCE

INTRODUCTION

The Act and Statutes of the University of Calicut envisages that the entire funds received in the University are to be routed through the Calicut University Fund(CUF). In order to control the inflow and outflow of funds the University resorts to the Budgetary Control System. At present remittance to the University Fund other than grants from Government and other funding agencies are mainly made through e-payment system which makes anytime anywhere remittance possible. In order to minimise the hardship of the student and general community, in addition to the payments through net banking mode, e-challan system has also been incorporated to the e-payment system. In addition to branches of SBI, Akshaya Centres and Friends Jana Sevana Kendram, e-challan facility has been extended during the year 2018 to facilitate remittances through Post Offices under Kerala Circle.

The Payment gateway System under e-payment mode helps to overcome the limitation of the e-payment system in operation in the University which permits online transactions only through State bank of India. The system permits remittance through more than 40 banks in addition to the facility for making remittances using Debit/Credit Cards.

All payments from the Calicut University Fund are either made through account payee cheque and draft or through direct credit to account through RTGS/NEFT/Direct Transfer Mode. Payment against statutory dues like TDS, GST etc are made through Online Payment Mode. As per the instructions from the Government and other funding agencies payment through Public Financial System (PFMS) has also been introduced. In order to ensure timeliness in procurements and also to minimise cost, online purchase through Government e Market Place (GeM) and CPRCS (Centralised Procurement and Rate Contract System) has been introduced during the year. For speedy disposal of payment of remuneration to examiners it has been decided to prepare consolidated remuneration bill along with payment voucher.

University receipts and payments are broadly classified into four parts on the basis of source of funds and payments there from. Part I deals with Non Plan Funds and includes non plan grant received from Government of Kerala and self generated income from examination, academic and other departments. This fund is utilized for the discharge of commitments like salaries, pension, conduct of examination and other recurring administrative and departmental expenditure. The Non Plan Funds of the University is reporting surplus for the last few years.

Plan funds received from the UGC and from the Government of Kerala and receipts from the self financing courses/centers are the main items of Part II plan receipts. Plan funds received from the Government of Kerala and the UGC are used only for the specific purposes for which they are sanctioned. In order to exercise efficient control over expenditure side, this part is divided into three; Part II A UGC assisted plan expenditure, Part II B State assisted plan expenditure and Part II C expenditure related to Self financing courses/centres.

Part III deals with the earmarked funds received from various funding agencies towards fellowships, scholarships and research projects. These funds are used only for the specific purposes for which they are intended. Utilization of these funds are strictly in accordance with the Rules and Regulations stipulated by funding agencies.

Receipts and payments under Part IV debts, deposits and advances, though neither University receipts nor University expenditure but temporary appropriation of University funds, are included in the annual financial statements for disclosing the overall financial position of the University.

The major works assigned to Finance wing in this University are as under.

1. Receive, classify and account the funds that are remitted to the CUF
2. Make payment of various bills for expenditure including salaries, pensions and other remuneration bills, contingent bills etc after due pre-audit.
3. Managing funds and investments.
4. Preparation of budgets and annual accounts
5. Fixing pay of teachers and Gazetted Officers of the University and maintaining service records of these employees.

Non plan grant received from the Govt of Kerala is only 51.40% of the total receipt. 32% of the total receipts are internal generation from various fees and self financing institutions. Salaries and pension alone contribute to 63.14% of the total expenditure. The non plan grant received from state government is not adequate to meet salary and pension expenditure. The University is thus compelled to use funds from own sources for meeting non plan expenditure.

All economy measures proposed by the Government from time to time are implemented in this university to tide over the paucity of funds. Still there is a considerable gap between the actual non-plan expenditure and grant in aid sanctioned by the Government. To an extent the short fall is made up with the income augmented internally. Further, to reduce our non-plan expenditure, curtailment of 50% on all Budget heads except that of committed items like salary, pension, electricity, telephone charges, scholarships etc. are imposed. Requests for excess provision under different heads are strictly controlled and discouraged.

The non plan funds of the University are reporting surplus during the last few years and for the year 2017-18 it comes to Rs.35.58 crore. This is without considering the liability on account of salary, pension and DCRG arrears. The non plan grant received from State Government for the year 2017-18 is Rs.198.23 crores and the total non plan expenditure for the year is Rs.240.69 crores. The difference is made good from income generated internally. Despite the constraints in increasing fees for services etc, University has been able to increase its income from internal sources on a study basis during the past. .

The fact that the non plan funds of the University is reporting surplus for the last few years may lead one to conclude that the wide gap between the Non Plan Grant Receipts and expenditure on account of Salary, Pension and DCRG in the past is reduced to a large extent in the recent years and that the University is receiving adequate Non Plan Grants now. But it is not so.

The main reason for the same is the considerable reduction in the Salary Bills of the University in the last few years due to the engagement of large number of Contract/daily wage employees both in Teaching and Non Teaching cadre against sanctioned permanent vacancies. At present more than 100 seats under teaching category and around 150 seats under Non Teaching Category are vacant. The work related to these seats are in some cases compensated by employing persons on contract/daily wage basis and in many cases by giving additional works to the existing work force. As such temporary arrangements are effecting the day to day functioning of the University to a large extent, University will be forced to make appointment against these vacancies in the very near future itself. The University Grants Commission and other funding agencies have already given instructions to the University to fill up the vacancies in the teaching cadre immediately

One of the main problems that will affect the financial position of the University adversely in the near future is the alarming increase in the pension bills. The expenditure on account of Pension and DCRG has been increased by 86% from 2013-14 to 2017-18. The total amount of pensionary benefits has been increased from 46.92 crore in 2013-14 to 87.42 crore in 2017-18. As the number of retirees from the University Service in the upcoming years is large and as many of them are Higher Officers drawing salary at higher scales, the situation will become worse in the near future itself and University will find it difficult to meet this commitment without sufficient additional financial assistance from the Government. Even though contributory pension system has been introduced in the University, it will take a long time to derive benefits from the same. At present University is incurring additional expenditure to the tune of around 3 crores towards NPS contribution. More over Government has appointed a committee to study the matter of continuing the Contributory Pension System.

The report of the University Finance review Committee 2009 formed by the Government of Kerala has suggested the constitution of University Restructuring Fund with a corpus of Rs.100 crore and granting a onetime assistance to the Universities to restructure the pension/PF administration, but no additional assistance has been received to the University so far. At present in order to meet the entire expenditure of pension, a pension fund with a corpus of minimum of Rs. 800 crore is required. With the present financial position University will not be able to set aside such a large sum without sufficient financial assistance from the Government.

The Statutory Finance Committee of the University has recently approved the suggestion made by the University to set aside Rs.30 crores from its own sources for creating a pension fund subject to concurrence from and contribution by the Government to the fund at the same rate.

Income from Internal sources

Despite the constraints in increasing fees for services etc, University has been able to increase its income from internal sources on a study basis during the past. The percentage growth in income generated from internal

sources during the last five years is 58.59%. The total income from internal sources has been increased from 7,799.95 lakhs in the Financial Year 2013-14 to 12369.51 laks in the Financial Year 2017-18. Around 47% of the balance fund at present is kept in short term and long term fixed deposits account with a view to earn interest. Total interest income under non plan segment for the year comes to Rs. 665.31 lakhs. With the introduction of new Universities the revenue from internal sources may be get decreased in future and the same may adversely affect the financial position of the University to a large extent. Government has already taken steps to start Open University in the State from next Academic Year onwards and the expected revenue loss to the University in this regard is around 20 to 25 crore per year.

Audit

University Accounts are subject to audit by the Kerala State Audit Department and also by the C&AG. The Statutory Audit of the University is conducted by the Kerala State Audit Department under Concurrent Audit System. Audit of accounts up to the year 2016-17 has been completed and reports received to the University.

As part of internal control mechanism an Internal Audit Wing is also functioning in the University. Despite the constraints due to inadequate staff position, the Internal Audit Wing has conducted audit at 26 departments/ outstation centres and physical stock verification at 33 departments and reports has been submitted to the authorities concerned. Necessary follow up action has also been taken to regularise the irregularities pointed out.

DEVELOPMENTAL ACTIVITIES:

The major development activities undertaken during the year are:-

Activity	Amount (Rs. In lakhs)
Renovation of Building	150.83
Mens Hostel	131.15
Science Block	302.61
Ladies Hostel	107.62
Electrical Works	312.81
Humanities Block	82.92
Swimming Pool	236.87

CONCLUSION

Even though University at present is in a position to meet its regular commitments and to an extent surplus funds are available with the University for meeting contingencies the same cannot be expected in future. In reality many factors are there that may considerably affect the present financial soundness of the University to a large extent in the near future itself and the major among them are the following.

1. Large increase in salary expenditure due to the expected implementation of VII th Pay Revision of the UGC and also due to fresh appointments against vacant permanent situations.
2. Alarming increase in the pension and DCRG bills due to increased number of retirements.
3. Huge liability towards salary, pension and DCRG arrears due to the expected implementation of VII th UGC pay revision to teaching and employees having UGC scale of pay.
4. Decreasing tendency in income generated internally under non plan heads due to the introduction of new Universities.
5. Decrease in surplus generated by self financing centers due to the increased expenditure in running these institutions.

ACADEMIC REPORT

ACADEMIC GROWTH

University of Calicut has 398 affiliated colleges spread over an area of 5 revenue districts. Of these, 3 colleges in government sector and 1 college in Unaided sector started functioning during 2018. Affiliated colleges under the University offer a total of 73000 seats for UG programmes and 10500 seats for PG programmes. The present position of affiliated colleges and programmes are represented below in graphical and tabular formats.

3. Chair for Maritime Studies and Research

The Chair for Maritime Studies and Research was established in the University of Calicut in September 2004 with the financial assistance of the Integrated Headquarters of the Ministry of Defense (Navy). It is the first of its kind to be established in any Indian University. The Chair was instituted with the hope that maritime Studies, a hitherto neglected area in Indian Universities, would receive requisite attention from social scientists.

Academic Focus

The main focus would be on interdisciplinary research programmes relating to history, political institutions, foreign policies, strategic issues, ecology and environment, social, economic and cultural development of the

coastal states of India and the littoral states of the Indian Ocean. Priority would be given to India's relations with the littoral states of Indian Ocean and the problems faced by the Indian minority groups in these countries.

Objectives

- Train specialists in Maritime Studies.
- Build a good research centre with well-equipped library and documentation facilities
- Undertake research programmes relevant to India and the littoral states of the Indian Ocean.
- Incorporate elements of Maritime Studies in the post-graduate courses in various social sciences.
- Interact with academic and research institutions in India and abroad, involved in Maritime Studies, especially the Indian Navy, Coast Guard, Ministry of External Affairs, Department of Ocean Development, Society for Indian Ocean Studies, Institute of Oceanography, M.S Swaminathan Research Foundation, Department of Environment etc.
- Undertake, organize and facilitate the holding of conferences, seminars, symposia, lectures and similar activities connected with Indian Ocean.
- Start an active publication programme and bring out on a regular basis books, monographs and occasional papers.

4. Chair for Sanathana Dharma Studies & Research

The Sanathana Dharma Chair was instituted in 2005.

Objectives: The Chair is intended to be a common platform for people of all walks of life including intellectuals, social engineers, and community leaders who are interested in the study of Sanathana Dharma, the world's most ancient culture and the socio, spiritual, and religious tradition of almost one billion of the earth's inhabitants. Various activities were conducted by the chair during 2018. The driving force of the academic pursuit of the Chair is the concept that cross-cultural sharing of knowledge has a vital role in the social integration and communal harmony of the country.

5. Chair for Islamic Studies & Research

The Chair for Islamic Studies and Research, established at the University of Calicut in 1988 with the support of Federation of Muslim Colleges.

Objectives: Conduct advanced studies and interdisciplinary research on social, political, cultural, and intellectual trends and movements in contemporary Muslim societies and promote a better understanding of Muslims with an objective of fostering communal harmony and pluralism in the region.
